Indoor Lighting Fixtures Recalled by Lithonia Lighting Due to Impact Hazard

WASHINGTON, D.C. - The U.S. Consumer Product Safety Commission, in cooperation with the firm named below, today announced a voluntary recall of the following consumer product. Consumers should stop using recalled products immediately unless otherwise instructed.

Name of Product: Indoor Lighting Fixtures

Units: About 1,400

Manufacturer/Distributor: Lithonia Lighting, of Conyers, Ga.

Hazard: The glass reflector can separate from the fixture and fall, posing a risk of injury to consumers below the fixture.

Incidents/Injuries: There has been one report of a glass reflector falling. No injuries have been reported.

Description: The recall involves the Hi-Bay Indoor High-Intensity Discharge (HID) Fixtures, model numbers PG16A and PG21A. The fixture is intended for high-mounting heights (at least 20 feet above floor level) and is used in retail, warehouse and heavy manufacturing locations. The fixture's housing is made of die-cast aluminum.

Sold by: Electrical distributors and sales representatives nationwide from January 2007 through May 2008 for between \$280 and \$350.

Manufactured in: United States

Remedy: Consumers should inspect the fixtures immediately and take down any units with loose glass. Consumers should contact Lithonia Lighting to arrange for a free replacement.

Consumer Contact: For additional information, contact Lithonia Lighting at (800) 315-4963 between 8 a.m. and 5 p.m. ET Monday through Friday, or visit the firm's Web site at www.lithonia.com

[Send the link for this page to a friend!](#) The U.S. Consumer Product Safety Commission is charged with protecting the public from unreasonable risks of serious injury or death from more than 15,000 types of consumer products under the agency's jurisdiction. Deaths, injuries and property damage from consumer product incidents cost the nation more than \$800 billion annually. The CPSC is committed to protecting consumers and families from products that pose a fire, electrical, chemical, or mechanical hazard. The CPSC's work to ensure the safety of consumer products - such as toys, cribs, power tools, cigarette lighters, and household chemicals - contributed significantly to the decline in the rate of deaths and injuries associated with consumer products over the past 30 years.

To report a dangerous product or a product-related injury, call CPSC's hotline at (800) 638-2772 or CPSC's teletypewriter at (800) 638-8270, or visit CPSC's web site at www.cpsc.gov/talk.html.
